

**Greenfield Community Nursery School
REGISTRATION INFORMATION - 2010-2011**

Thank you for considering registering your child in the Greenfield Community Nursery School. We offer a "Learn-Through-Play" program designed to encourage the development of a child's physical and intellectual abilities, to contribute to the development of a positive self-concept, and to encourage the desire to learn. We are located in the Sweet Grass Elementary School, at 11351-31 Ave. and offer four class times:

1. Monday & Wednesday afternoons, 1:00 - 3:15 pm, for 3 ½ - and 4 year olds
2. Tuesday & Thursday mornings, 9:00 - 11:15 am for 3-year olds
3. Tuesday & Thursday afternoons, 1:00 - 3:15 pm for 4-year olds
4. Monday, Wednesday, & Friday mornings, 9:00 - 11:15 am, for 4-year olds

As we are a parent-run organization, a condition of enrollment is the active participation of all members. Participation duties will involve the following:

- 1. Duty parent:** A parent helper is required to help the classroom run smoothly. You will be required to take your turn as duty parent (once per rotation per registered child) in the classroom. The number of duty days depends upon enrolment. A \$100 penalty is assessed for failing to complete a shift.
- 2. Volunteer positions:** Each family is required to sign up for at least one volunteer position per registered child. These positions can range from being the cooking helper once a month, coordinating the duty day roster, making scrapbooks for the kids, etc.
- 3. Room clean-up:** Once a year you will be assigned a turn for room cleaning. One cleaning night is required per registered child. A \$100 penalty will be assessed for failing to complete this duty.
- 4. Special Events:** You will be requested to participate in special events such as Christmas activities and field trips when additional parent assistance is required.
- 5. Fundraising/Casino:** Fundraising efforts are mandatory for all parents. Fundraising money helps to buy supplies, toys, books, fieldtrips, and any other items needed for our children during their time at the playschool. Every family is required to work one casino shift per child registered. A \$300 penalty will be assessed for failing to complete this duty.

Please note that failure to participate in the classroom and with the running of the playschool could result in the withdrawal of your child from the program.

At the Greenfield Community Nursery School, play is recognized and valued as a fundamental part of a child's development. We are firm believers that children learn through their play and they explore their world best by direct experiences. We therefore offer a fun and stimulating "Learn-Through-Play" program that focuses on all areas of development including the social, emotional, physical, and intellectual well-being of the child. The program offers a wide variety of age appropriate activities and weekly themes, such as open-ended art, songs and movement, story time, games, show and share, field trips, and special event days.

The teachers organize a number of activities outside of the classroom. While all activities are covered under the nursery school's insurance policy, parents should be aware that their children will be participating in activities involving the use of Sweet Grass Elementary School's gymnasium and playground equipment.

Your involvement in designing our programs is welcomed. If you have some knowledge or skill that can be used, either in working with the children or in repairing or building equipment for the playschool, please indicate such on the Registration Form.

Please feel free to drop by the classroom – we have an open door policy. However, you may want to call the playschool (780-433-2599) before dropping by to ensure that the children are not on a field trip during the time you want to drop by.
